PROMOTION

From the unique Darling wine region on the Cape West Coast comes The Dark Side Cabernet Shiraz – a prime example of Cloof Wine Estate's passion for bold, well-defined flavours

This winter, move over to the Dark Side with this gorgeously sensuous blend of Cabernet Sauvignon and Shiraz entwined with the spiced vanilla of French oak. At Cloof, the prevailing south-easterly wind protects the carefully tended bush vines from rot and, when night falls, cloaks the vineyards in chilly, flavour-preserving air blown in from the Atlantic Ocean. The result is this uninhibited richer, juicier and bolder Cabernet Shiraz – the perfect complement to a warming casserole or slow-cooked lamb shank.
